

It's A Sweatshop After All

(sung to It's A Small World After All)

It's a world of profit, a world of greed
It's a world of children sewing seams
Workers' strife, we don't care
We exploit everywhere
It's a sweatshop after all

*CHORUS: It's a sweatshop after all
chop down trees and build a mall
corporate profits never fall
it's a corporate world*

They don't care one bit if their workers cry
They don't care a smidge even if some die
Dead workers take no pay
There's more born every day
It's a sweatshop after all

CHORUS

For this exploitation, we will not pay
Work a 9 to 5, each and every day
Our responsibility
Is to all humanity . . . (pause)
There's enough on earth for all

CHANGE-UP CHORUS:

*No more sweatshops anywhere
show the world that people care
the world is here for us to share
it's a small... small... world !*
